Privacy Statement

This Central Applications form has been designed by the Central Applications Committee.

The information required is necessary so that applications for children who wish to be enrolled into one of the Catholic primary schools in the parish can be processed.

The completed application forms are stored in a locked filing cabinet in St. Conleth's Parish Office and are collected for processing by the applications committee. Forms for children wishing to enrol in classes other than Junior Infants are collected prior to committee meetings. Forms for enrolment in Junior Infant classes are collected during the year prior to the child's enrolment into a Junior Infant class. Forms are not copied by the Parish Office.
